Throughout the week, campers were able to enjoy reading their favorite books in the treehouse. On Friday, everyone at camp dressed up as their favorite book characters. Monster Sighting!

Violet K - *Bear Cubs*

I saw the Whippoorwill Monster on a trail hike last week. It was light brown, and its fur was sticking up. It had a scary face and teeth like a shark. We didn't see the Whippoorwill Unicorn, but we saw the cage the monster is trying to trap it in. We did see a picture of the Unicorn hanging on a tree. It had light pink hair, a tail with stars and sparkles on it, and the background was all rainbow. The Monster's house was very small but very tall.
